Dear Sisters and Brothers of my Husband,

Thank you for everything that each of you did for my Love.

Dick wanted to stay home and not go to the hospital as there was no more surgery available for him, God is Good and helped me to care for him at home.

I shall be eternally grateful to Al and Helen, they made it possible by all of their help and support, I was able to care for my beloved.

The tributes of love to Dick during his illness and at his Death were numerous you might be interested to know that there were 28 arrangements of flowers, all beautiful. Many masses, I'm sending copies of them for you to see. The copies are just blank, white & the inside of the cards. Gifts of food / Long distance phone calls.

Now-a-days, the traffic here is so heavy, cars do not stop for a Funeral procession. The cars did stop and Richard and I appreciated that very much.

People, whom I did not know came to the Funeral; they either knew Dick or their parents knew me at one time.

On Tuesday March 3rd, Father Louis came to visit Dick & gave him Holy Communion and Last Rites. Dick told Father Louis that he didn't need to Confess anything. Father Louis said he was sure that Dick didn't need to

Confess anything.

Father Louis held the services at the Church and the Cemetery. Father Vess's name is on the card.

Page 2 -

Maria, Ace and Lonette sent tributes of Love and mass cards and many that had been sent to them. Although they each said they wrote thank-yous, I wrote thank-yous also, for I wanted to do that.

Altogether, I wrote over one Hundred thank-yous. Again the out-pouring of love for my husband was tremendous. Thought you'd want to know.

If any of you want to ask me anything about Dick please ask, I can't think of everything you may want to know.

Again, Thank you, thank you, thank you Al and Helen.
Thank each of you for what you did.

Gratefully, Helena
