Dear Brother Henry

In regards
to the settling of my fathers estate
I herewith will not except \$1.00 as
settlement of the estate therefore here
with this letter I will return to you
the dollar \$1.00 as for this reason this
dollar question is on stepmothers
account and I feel that I am entitled
to an equal share of both cash + estate
and I think you will find that the
of brothers + sisters of the G. B. Hoffman
family will feel the same as I do.
Still or no will of fathers estate it is
stepmothers account that four of the
Hoffman children are on the \$1.00 list
therefore I shall not settle in this
way. Henry for this reason stepmother
now claims that she did not know
anything of how the will was then
how in Hell could she tell me 7 years
seven years ago that I was only to
get one dollar. She also says there
is no money for this reason from
what my father told me there has
got to be money and I know just
where. Stepmother passed a smart
remark to me several years back
that when the estate was to be
settled she had some friends and
she would see that they got their
share but those shares belong to the

Hoffman family. Henry for you know
as well as I know and the rest ~~know~~
of the family that my father & I
went around thrashing for two
months of each year for four strait
years and eating others peoples
dust & dirt all the while & ruined
my health by it working from 14 to
18 hours a day and now for my
whole lifes work and health and
now on stepmothers account I
should settle for one dollar without
a word. Henry you know both Lewie
& I were shown the door at our home
on stepmothers account and to
this I can swear. Why should we
both be on the dollar list?

Yours Truly

Herman G. Hoffman.

Dear Brother Henry,

We arrived
safe home at midnight last
night and we certainly had
a terrible wind to battle with
we saw large limbs & garage
roofs by the roadside it was
all we could do to keep in
the road. How are you all
down there by this time,
It took us six hours to drive
up. How is the boils on
Joels neck? Henry you will
find a special letter in
this envelope regarding to
fathers estate but do not
feel hurt about it as I
know it is not your fault
but it is stepmothers fault
Looks to me like John Wolf
stepmothers brother is sticking
his nose in our affairs. as
he is out there on the farm
telling her what to do all
the time. He knows what happened

to his brother George for doing
the same thing so he had
better watch his step. Henry
don't feel hurt because I
haven't anything against
you.

With Love to all
